opening the door to a greener tomorrow

Updated Matching Backs Program

We have recently updated our matching backs inventory to match our current vinyl offerings and market trends. Our current program has 8 options to match several of the solid colours and woodgrains. Please download our current Thermofoil Product Guide or Colour Guide from our website for full information.

Our Current matching backs program consists of the following colours:

Antique White

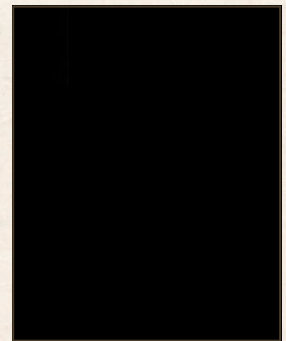

Hard Rock EM

Rustic Cherry

Chocolate
Pear 133

Black

Aria

Verismo

Queenston
Oak

Other previous stock colours may be available in limited quantities, while supplies last.
