Sorento Program Update - October 2013

We are always reviewing our products to make sure that we are in-line with the latest trends. Lately, we have seen low demand for the Sorento Supreme and Slimline series. Due to the large inventory commitments, we have decided to discontinue the program and try to update our offerings soon.

The Sorento Supreme and Slimline Collection has now been discontinued

*A small amount of stock has been reserved for warranty coverage only.
New Orders may not be accepted, depending on current inventory levels.*

We are currently revamping this collection to offer modern profiles and colours, to match today's design trends.
